

**PUNCH** is a high powered cleaner that removes heavy soil and grease deposits by deep penetration and emulsifying action. Dilutes with up to 60 parts water for fast, labor saving cleaning with maximum safety to the user. **PUNCH** is safe for use on most metals (including aluminum), concrete plastics, washable painted surfaces, asphalt tile and rubber. Will even clean auto vinyl tops. Removes heavy grease and soil deposits, soot and smoke stains, most inks and dyes, mildew, creosote, etc.

#### DIRECTIONS

**Heavy soils:** Dilute 1 part **PUNCH** with 10-25 parts hot water and apply with a mop, sponge or sprayer. Let solution remain on surface for several minutes to penetrate and dissolve soils, then rinse or hose off with clear water. For extremely heavy deposits of soils and grease, for best results, agitate with a brush or broom.

**Average soils:** Dilute 1 part **PUNCH** with 25-45 parts water and apply to area to be cleaned. Let solution remain on surface for several minutes before wiping or mopping clean.

**Light soils:** Dilute 1 part **PUNCH** with 40-60 parts water and apply in a similar manner as for "average soil".

**NOTE:** **PUNCH** is an excellent solution to be used in hot or cold pressure washing equipment. Dilutions will vary according to operating temperatures and pressures of the equipment selected. A 1-20 mixture is a good starting point.

CAS NUMBERS: 1-methoxy-2-propanol (000107-98-2), 2-methoxy-1-propanol (001589-47-5), potassium hydroxide (1310-58-3), alkyl phenol ethoxylate (9016-45-9) and sodium metasilicate (6834-92-0).

#### GENERAL MAINTENANCE PRODUCTS

**PUNCH**

**HARD SURFACE RENOVATOR  
CONCENTRATE**

- Biodegradable Concentrate
- Economical and Easy-To-Use
- Fast, Deep Cleaning Action
- Synergized With Alicor 7

**CAUTION:** Do not take internally. See additional precautionary information on side panel.

**KEEP OUT OF REACH OF CHILDREN**

NET CONTENTS: 55 GAL(S)

#### CAUTION

Use caution. Overexposure may cause skin and eye irritation. Due to the efficient oil and grease removing properties of **PUNCH**, rubber gloves and protective eyewear should be worn while using this product.

#### FIRST AID

**IF IN EYES:** Flush with clear cool water for at least 15 minutes. Get medical attention.

**IF ON SKIN:** Wash with soap and water. If irritation develops, get medical attention.

**IF SWALLOWED:** Do not induce vomiting. Give plenty of water to dilute stomach contents. Call a physician.
