

Read and follow all directions and precautions on this product label.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS FOR USE

Remove lid. Pull towel from center of the roll and thread through underside of lid. Pull towel at 90° angle. Snap hinged cap back into place so towels stay moist.

Do not allow children to handle this product. Do not apply over cuts, wounds or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not apply directly on face. Apply sparingly around ears. Use just enough repellent to cover exposed skin and/or clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information, call the National Pesticide Information Center at 1-800-858-7378.

Avoid contact with plastics, such as eyeglass frames, and such fabrics as acetate rayon.
