

GRANO SEWER GRANULES are compounded from prime aluminum and caustic soda. This product also contains a safety depressant to help eliminate hydrogen gas. It is always wise to avoid smoking when using this product and do not throw lighted cigarettes into manholes while treating.

DIRECTIONS

For regular preventive maintenance, use 30 pounds per manhole (1/2 drum). Always handle this product with a shovel or scoop, never with the hands. Wear goggles, face shield, rubber gloves and protective clothing when handling. This product is color-coded to aid in checking flows and blockages.

Avoid breathing fumes generated by this product. Never combine this product with our other drain cleaners. Contact with acid-type drain cleaners will cause severe reaction resulting in spattering and splash-back. Contact with hot water will cause a severe reaction – always use cold water.

Keep drum closed when not in use. Always store out of reach of children and unauthorized personnel.

CAS Numbers: Contains sodium hydroxide (1310-73-2).

See side panel for additional cautions
For industrial use only.

NET CONTENTS: 50 LB(S)

CAUTION: POISON

Contains sodium hydroxide (caustic soda). Danger: causes severe burns. Do not get in eyes, on skin, or on clothing. Avoid breathing mists or sprays. Keep container closed. Wash thoroughly after handling. Do not take internally. Do not allow water to contact this cleaner.

This product is highly corrosive and can cause serious burns to the eyes and skin. Direct contact with the eyes for only a few seconds can cause blindness. Short contact with the skin can cause painful irritation or a chemical burn. In all cases of bodily contact with this product, the product must be removed as quickly as possible.

FIRST AID

IF IN EYES: Flush eyes with large amounts of water for 15 minutes while holding lids apart. Get immediate medical attention.

IF ON SKIN: Remove contaminated clothing and wash contaminated areas with plenty of water for 15 minutes. If tissue is damaged, seek medical attention.

IF INHALED: Remove to fresh air. If not breathing, resuscitate and administer oxygen if available. Seek immediate medical attention.

IF SWALLOWED: Can cause severe internal damage. Get immediate medical attention.
