BT SILICONE LUBE complies with FDA regulation CFR Title 21, Paragraph 178-3570. The USDA authorizes it for use in federally inspected meat and poultry plants.

BT SILICONE LUBE is a clear fluid pure silicone compound excellent for lubricating moving parts made of plastic, rubber, metal, and wood. It provides lubrication and rust protection at low as well as high temperatures. It has excellent release properties. **BT SILICONE LUBE** is highly resistant to shear and viscosity breakdown. It also is chemically inert, tasteless, and odorless.

DIRECTIONS:

Use brush to apply **BT SILICONE LUBE** sparingly.

KEEP OUT OF REACH OF CHILDREN.
